## INDEPENDENT ACCOUNTANTS' REVIEW REPORT

### To the Board of Trustees of SWAN: Scaling Walls a Note at a Time

We have reviewed the accompanying financial statements of SWAN: Scaling Walls a Note at a Time ("SWAN") (a nonprofit organization), which comprise the statements of cash receipts and disbursements for the year ended December 31, 2019 and 2018, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the cash basis of accounting; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

#### Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with the cash basis of accounting. We believe that the results of our procedures provide a reasonable basis for our conclusion.

#### Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with the cash basis of accounting.

#### Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our conclusion is not modified with respect to this matter.

# SWAN: SCALING WALLS A NOTE AT A TIME

## NOTES TO FINANCIAL STATEMENTS

December 31, 2019 And 2018

---

### (1) SIGNIFICANT ACCOUNTING POLICIES

#### *NATURE OF ACTIVITIES*

SWAN: Scaling Walls a Note at a Time (“SWAN”) seeks to provide free private music lessons, ensemble training, performance opportunities and mentoring for children and youth whose parent(s) have been incarcerated or have a history of incarceration. SWAN is also a support group for their students. SWAN’s program reached 211 children in 2019 and 200 children in 2018. Children who benefit from SWAN’s program give back to the community by performing throughout the year in events held on local platforms.

#### *BASIS OF ACCOUNTING*

The financial statements are presented on the cash basis of accounting which is a comprehensive basis of accounting other than generally accepted accounting principles. The primary differences between SWAN’s accounting basis and generally accepted accounting principles is that activity is recorded when a cash transaction occurs rather than when income and expenses are incurred. Additionally, capital items, such as property plant and equipment are expensed at the time of purchase. Accordingly, the accompanying financial statements are not intended to present the financial position, results of operations and cash flows in conformity with generally accepted accounting principles.

#### *INCOME TAXES*

SWAN is an organization exempt from United States federal income tax under Section 501(c)(3) of the Internal Revenue Code. Management has reviewed the tax positions for each of the open tax years (2016 – 2018) or expected to be taken in SWAN’s 2019 tax return and has concluded that there are no significant uncertain tax positions that would require recognition in the financial statements.

#### *CASH RECEIPTS*

The majority of SWAN’s support and revenue come from private contributions. All contributions are considered to be used for purposes without restriction unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. When a restriction expires, such net assets are reclassified to net assets without donor restrictions and reported in the statement of activities as cash released from restrictions. Restricted donations whose restrictions are met in the same reporting period are accounted for as net assets without donor restrictions.

#### *DONATED SERVICES*

A number of volunteers have made significant contributions of their time to various programs. For the years ended December 31, 2019 and 2018, the fair market value of donated services that SWAN received and recorded in the financial statements are as follows:

	<u>2019</u>	<u>2018</u>
Professional Services	\$ 36,400	\$ 56,000
Teaching Instruction	27,825	6,000
Special Event Services	600	1,300
Accounting Services	8,840	-
Counseling	<u>-</u>	<u>1,400</u>
	<u>\$ 73,665</u>	<u>\$ 64,700</u>

The value of these services is not reflected in the financial statements because SWAN recognizes support and revenue on the cash basis of accounting.

December 31, 2019 And 2018

### **NET ASSETS**

SWAN reports information regarding its cash receipts and disbursements, according to two classes of net assets: net assets without donor restrictions, and net assets with donor restrictions. Net assets of the restricted class are created only by donor-imposed restrictions on their use.

The balances are subject to limitations established by the Federal Deposit Insurance Corporation (FDIC). At December 31, 2019 and 2018, the amounts on deposit are fully insured.
